## **NNDKP Wins Chambers Europe Awards for Excellence for Romania**

*The law firm performances were acknowledged at European level in a gala that included for the first time our jurisdiction*

**Bucharest, April 23<sup>rd</sup> 2009** - Nestor Nestor Diculescu Kingston Petersen (NNDKP) announced today that it was recognized by Chambers Europe, the European version of one of the most prestigious international legal guides, as the firm with the best performances in the legal profession and client service.

NNDKP was nominated alongside with other five law firms in Romania in the awards gala that took place last night in London and was attended by over 300 lawyers from the prestigious law firms in Europe. These awards reflect a law firm's pre-eminence in key practice areas. They also reflect notable achievements over the past 12 months, including outstanding work, impressive strategic growth and excellence in client service.

*„It's for the first time this distinction is awarded in Romania – a fact which, together with our colleagues' nomination, reflect a mature local market, as well as our ability to offer legal services that can successfully compete with those provided by the largest law firms in the world. The recognition of our firm's merits at this level is a great honor and I congratulate the entire team for the contribution they have had over the years at the firm's being designated the winner of this impressive award”,* believes Ion Nestor, one of NNDKP's Managing Partners.

In 2009 NNDKP was the only law firm ranked first in all the practice areas researched by three renowned international legal guides: Chambers & Partners (global edition), The European Legal 500 and IFLR 1000, thus acknowledging it as an elite firm in fields such Mergers and Acquisitions, Banking, finance and capital markets, Dispute resolution, Energy and natural resources, IT, telecoms and media, Privatization and PPP, Project finance, Real estate and construction.
